ABOUT REVOLUTION ROLLER DERBY

WHO ARE WE?

First, our mission statement: Revolution Roller Derby was formed in 2012 to serve the community by empowering adults and children through athleticism. Revolution Roller Derby encourages emotional and physical growth through challenging perceived limits and healthy athletic competition.

League members develop positive attitudes about self-esteem and healthy body images through physical fitness. Revolution Roller Derby provides ongoing education about health, wellness, and the hard hitting sport of roller derby to the surrounding community.

We consist of two teams - our travel team, the Valkyries and our mixed gender team, Mom & Pop's Militia.

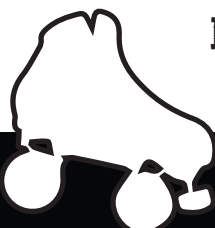

As a league, we're a large group of skaters, volunteers and roller derby professionals who give our actual blood, sweat and tears on a weekly basis to bring this competitive, challenging and exciting sport to both Pasco and Pinellas County, Florida.

There is a place for everyone here, whether it's on the track, making posters, or keeping score. Revolution Roller Derby acts as a grassroots organization. We believe in giving back to the local community, and we continue to support different local charities with every home bout.

FUN FACT!

THE TERM "ROLLER DERBY" DATES TO THE 1920'S AND WAS ORIGINALLY USED TO DESCRIBE QUAD ROLLER SKATE RACES.
